Enhanced Lighting

eXperience *new and enhanced features*

ENHANCED! Runway® Lighting

Shine brilliant light on your designs with our brightest work area ever! The PR1050X casts **pure, full-spectrum lighting** onto your workspace with 5 built-in LED lights.

- **Customize the light** with any of the 5 settings
- **Shadows are practically eliminated**, helping to ensure precision and complete accuracy

NEW! Up to 20% Quieter

Our newest multi-needle machine is engineered to be up to **20% quieter** than prior models!

NEW! Easy Oil Maintenance

Oiling your machine has never been easier! Simply **press the oil button on-screen** to set the hook angle at the best position for oiling.

5 Built-in

Improved Needle Threading

at Rumpled Quilt Skins

AUTO NEEDLE THREADING

Makes threading simple! As the only multi-needle machine with a **built-in automatic needle threading system**, you'll thread each needle in seconds – with just the touch of a button!

NEW! CUSTOMIZABLE SETTINGS

Each needle offers **customizable settings** for speed, color lock and now the disengagement of the needle threader – useful when using a thin needle.

eXceptional design and editing capabilities at your fingertips

NEW! COLOR SORT

When combining designs, you can be even more efficient by having the machine sort the stitch order by color. **Reduces color changes and needle bar movement to minimize embroidery time.**

NEW! COLOR SHUFFLING™ 2 FUNCTION FOR EVEN MORE COLOR POSSIBILITIES

Use the pin function in Random and Gradient modes to **ensure your favorite colors are included in your shuffle.**

at Rumpled Quilt Skins

More efficient...

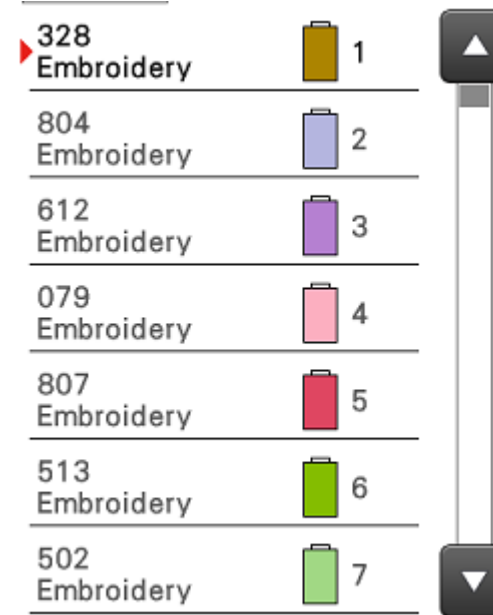

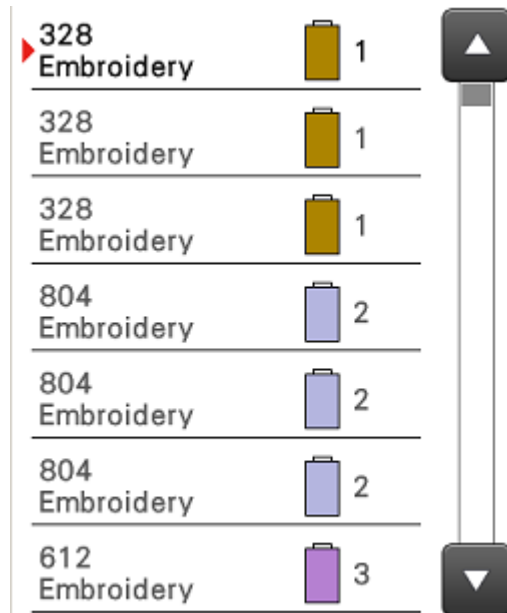

7 colors x 3 letters
= 20 color changes

With Color Sort

Without Color Sort

Needle bar case move: 6 times (30 seconds)

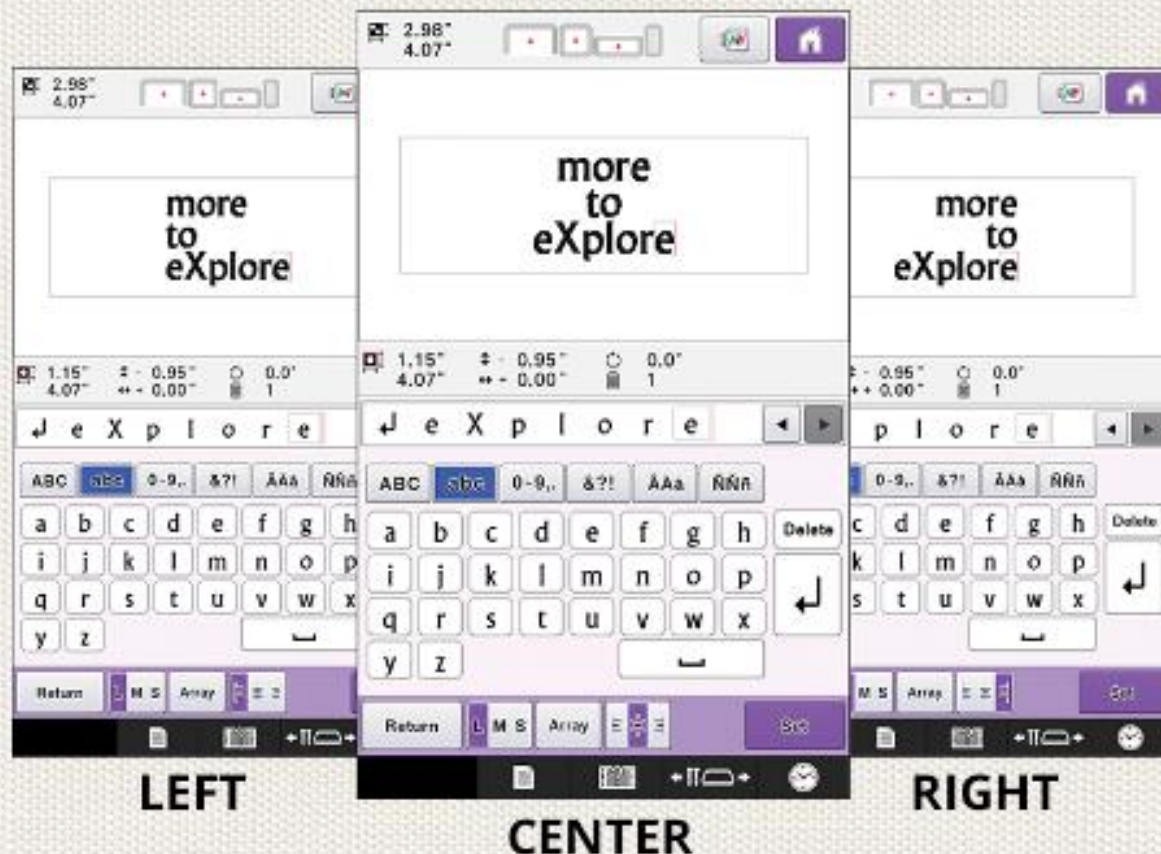

Needle bar case move: 20 times (100 seconds)

Improved on-screen editing

at Rumples Quilt Skins

NEW! ON-SCREEN LETTER EDITING

Input **multiple lines of lettering** and then go back and **edit many different ways** – insert elements, divide letters, words or phrases, combine selected words, change the font style and size of individual letters or a whole line of text.

You can also easily **align text Left, Center and Right**. Perfect for embroidering multiple line poems, phrases, and birth announcements.
