

Rumpled Quilt Skins

**12
MONTHS**
for the price of 10!

when you purchase an annual subscription through an authorized retailer.

mySewnet™ Software

Embroidery, Crafting or Quilting? With the intuitive and versatile mySewnet™ software system, there's no reason to choose just one creative interest!

From digitizing images to incredible editing capabilities, embroidery enthusiasts will love creating and customizing with mySewnet™ embroidery software!

Plus, mySewnet™ embroidery software can be used with most embroidery machines.

With the mySewnet™ crafting software, dive into a world of crafting and cutting projects using the SINGER® MOMENTO™ cutting machine. Or, use the mySewnet™ Quilting software to get started designing your own quilt with printable step-by-step cutting and sewing instructions.

mySewnet™ is available for both MAC and Windows platforms.

Big savings on the subscription level that's right for you,
when you purchase an annual subscription through an authorized retailer*

BASIC

Ideal for early learners seeking a user-friendly experience. Access to fundamental embroidery tools.

Crafting Software is a separate install and needed to communicate with your SINGER® MOMENTO™.

Quilting Software is a separate install and allows you to get started designing your own quilts.

FREE!
