**Bambi (Block-A-Month Bright Ideas) 2026 "Okotoks Town Square"**

**Sat. May 30, June 27, July 25, August 29**

**9:30 - 10:00 a.m. lecture**

This year's quilt has been thoughtfully designed by our staff to suit those of you who want more challenge in your quilting. Consistency in your seams is essential to make all of these varying sized blocks fit together nicely. This quilt represents a town square with the feature block in the center followed by six rounds of varying blocks with beginner to intermediate techniques. This class is a lecture, machines not required in class. Kit and pattern purchase required. Three rulers are recommended. Fabrics are the individual's choice. Want to jump in late? Please join us!

## Beginner Scan n Cut

Thurs. July 16

9:30 – 12:30

\$27.00

If you have purchased your Scan N Cut from Rumpled Quilt Skins and would like a refresher course on how to prep your fabric, and manipulate and organize your cut files, this class is for you. Our instructor is well-versed with everything that may go awry in preparing your cuts for a quilt, and knows how to prevent any of the hazards of cutting. This particular project is a three-fold: Beginner machine appliqué, beginner Scan N Cut, and beginner machine embroidery appliqué in the hoop. Look for the other two classes found in this newsletter. Pattern required. Kits available.

## Bringing Home the Tree By Buttermilk Basin ~ Christmas in July!

Sat. July 11

9:30 – 2:00

## Finishing School

Most Thursdays and other days as listed in the calendar \$15.00 per day

"Piece and quiet" are the key words to this non-instructed class. Bring whatever you like to sew on, and use the classroom and the time to eliminate the distractions you may have at home. Put our classroom to good use - our Finishing School "regulars" accomplish so much and inspire us all to get to the finish line! Be exposed to other projects, techniques and mishaps are some of the side-effects of finishing School. Please understand that there is no instructor for this class. Also check out our "Guidance Class" on scheduled Tuesdays. An instructor is available on these days to help with your Rumpled Quilt skins projects.

## Mistletoe and Holly

Mon. July 20      9:30 – 12:30      \$27.00

Most times you have a bit of fabric left over and you wonder what to do with it... this is the answer! Take a bit of feature fabric, the smallest amount of seven co-ordinates, add a background to easily make this runner. So versatile! While the cuts are precise, the sewing is easy. Be consistent in your ¼" seams and you'll get in the groove of how this runner is made. Need a gift for a friend? What to dress up an entryway? Wish you had a way of gussying up the dining room table? We think this straight-line sewing runner will become one of your "go-to" patterns to reduce your stash in a flash. Grade 1 is a prerequisite. Finished Size: 18" x 54 ¼". Pattern required. Limited kits available.

We've kitted it in the original Christmas poinsettia fabrics as well as a midnight blue/espresso colourway... Your choice or do both!

## Snowman Trio Machine Embroidery Wall Hanging ~ Christmas in July!

Fri. July 17 9:30 – 2:00 \$45.00

Growing up when winter's were colder, we were often faced with a month or more of twenty degrees below weather. We had snow drifts way over our heads, make tunnels and created igloos to stay warm. When we went skating, the rinks were outside, our cheeks were rosy and we didn't know that Mexico was an option. Relive your best days with a reminiscence of simpler times. Pattern required. Kits available.

Twilight Tree Skirt ~ Christmas in July  
Wed. July 15, 9:30 – 1:30      \$36.00

Don't let the beauty of this tree skirt make you jittery... it's easy piecing, monotone, and will take just a few steady days to get it well under way! The French Braid technique is useful when needing to create a border finish, add an extra block to a quilt, or just use up some of your stash in a place mat. In this tree skirt, it creates radiating points accented with dark contrasting fabrics. Grade 1 Beginner Quilting is a prerequisite for this class. Pattern required. Limited kits available.
